'Ambani Adani se kitna mal uthaya hai', Modi targeted Rahul

Achin chakraborty: After Lok Sabha polls, Narendra Modi targeted Rahul Gandhi around the riches like Ambani-Adani. Modi's speech from Telangana's BJP campaign meeting said that while earlier Rahul had often made negative comments about Ambani and Adani, he has stopped saying so since the announcement of the Lok Sabha polls. Modi's clear question, 'Since the polls were announced, he (Rahul) Ambani has stopped abusing Adani. Today I want to ask a question from the soil of Telangana, declare the rich Shahzada, how much money have they taken from the Ambani Adanis in this election?'

Polling for the fourth phase of the 2024 Lok Sabha polls is just around the corner. Before that, Modi once again targeted Rahul with the Congress' position around industrialists like Ambani-Adani. Modi raised this issue

while campaigning for elections in Telangana's Karimnagar. Modi said, 'Friends, you have seen the Shahzada of Congress for the last 5 years, he used to pray malas every morning... Ever since his Rafael case was grounded, he has been praying the same mala, for the last 5 years, 5 entrepreneurs... ' Then Modi took a step forward and said, 'Slowly kept saying, Ambani, Adani..' Then Modi said, 'But when the vote was announced, Ambani stopped abusing Adani. Today I want to ask a question from the ground of Telangana, declare the rich Shahzada, how much goods (money) have they taken from the Ambani Adanis in this election?' Modi said, 'How many sacks of black money have the prisoners taken? Did the tempo fill note reach Congress? Modi's question, 'What deal has been made? Apana has stopped abusing the Ambani Adanis overnight.' Along with this he said, 'Jarur dal mein kuch kala hai (There is definitely something wrong).'

Earlier, Modi has repeatedly attacked the Congress over Muslim appeasement. This time, Modi fired directly at Rahul on the Ambani, Adani issue. On this day in Telangana, Modi complained that the Congress has ruined the country's financial system. He claimed that Congress is the biggest cause of the country's problems.

"Adhir Chowdhury will be number three here", predicted Abhishek standing in Baharampur

MT News: They used to attack each other from a distance. Trinamool Congress All India General Secretary Abhishek Banerjee stood at Adhir Durg before the fourth phase of Lok Sabha elections. Lok Sabha constituency Baharampur. From where Adhir Chowdhury has won five times. Abhishek called Adhir Chowdhury, who is also a candidate, an agent of the BJP. At the same time, Adhir Chowdhury said from the election campaign with Yusuf Pathan that he will lose this time. Abhishek's speech from Baharampur's campaign on Wednesday came out in spades of criticism of Adhir.

From today's meeting, Abhishek proved that Adhir Chowdhury is actually an agent of BJP. Abhishek even called Adhir 'BJP's dummy candidate'. Here Abhishek Banerjee said, 'Adhir Chowdhury has cheated your trust. Where Mamata Banerjee, Rahul Gandhi and Priyanka Gandhi are sitting next to them and saying that BJP should be removed from power, in Bengal that day Adhir Chowdhury is saying that Mohammed Salim should be removed from the Trinamool. Who says voting for BJP is better than voting for Trinamool. So now Adhir Chowdhury is eating Saibari blood-stained rice made by CPM.

This is not the end, Abhishek pierced Adhir with arrows one after another. But this time Abhishek predicted that Adhir Chowdhury is losing. A few days ago, Adhir Chowdhury said that if he loses to the Trinamool Congress in the Lok Sabha elections, he will quit politics. Abhishek's statement there today, 'He is asking Mamata Banerjee to come here and fight. Ever asked a BJP leader to come and stand here. Adhir Chowdhury is a dummy candidate of BJP. Adhir Chowdhury himself will vote for BJP. Don't give to Trinamool or Congress. I am making another prediction, Adhir Chowdhury will be number three here. The fight here is between BJP and Trinamool.

Abhishek Banerjee also highlighted the setting of Adhir and BJP. Yusuf Pathan promised to stay here after winning. Abhishek said that he will go to the Parliament and raise the voice of the people. And Abhishek's sarcasm about Adhir's 'setting' with BJP, 'Sudipta Sen gave a written statement to take money in the name of Adhir Chowdhury. ED, CBI sent notice even once. So whose setting? Adhir Chowdhury is the only reason why India did not join here. Now when he realizes that he will lose in a rage, he is hitting someone, beating someone, spraining someone's hand. So I say Adhirbabu you calm down. Sincerely, Aaron. If you do this, more votes will decrease.

Modi invited Hasina to visit India in July amid Lok Sabha polls

MT News: Bangladesh Prime Minister Sheikh Hasina will visit India next July. The two countries have been discussing this matter at the diplomatic level for several months. Indian Foreign Secretary Vinay Mohan Kwatra arrived in Dhaka on Wednesday afternoon to formally hand over the invitation letter to the Prime Minister of Bangladesh on behalf of Prime Minister Narendra Modi. India's Foreign Secretary will meet Sheikh Hasina on Thursday and hand over Narendra Modi's invitation letter to her.

The Foreign Secretary went to Dhaka on a two-day visit in an Indian Air Force aircraft. He is also scheduled to meet Bangladesh Foreign Minister Hasan Mamud. Besides, we will also talk with the Foreign Secretary of Bangladesh, Masud Momen. It is said that the schedule and program of Hasina's visit to New Delhi will be discussed during this visit of the Foreign Secretary.

In January this year, Hasina became the Prime Minister of Bangladesh for the fourth time in a row and for the fifth time in all. Shortly after his government was sworn in for the fifth time, he sent the new foreign minister, Hasan Mamud, on a visit to New Delhi. It was then that the initial talk about Hasina's visit took place.

India is voting now. The result will be announced on June 4. Naturally, at this juncture, Narendra Modi's official invitation to the Prime Minister of Bangladesh to visit India has gained extra importance in diplomatic circles. There are two opinions on this matter. According to a source, Modi wanted to convey the message that he is 100 percent sure about staying in the Delhi assembly. Another point of view is that it is important for any state to maintain the continuity of diplomatic relations. That is why the Indian government is active with Hasina's visit even during the polls.

Meanwhile, Bangladesh Foreign Minister Hasan Mamud opened up about the border killing shortly before Binay Kwatra's plane landed in Dhaka. For many years, Bangladesh has been expressing dissatisfaction with the Indian government in this regard. Dhaka's complaint in this regard is against the Indian Border Guard Force. Allegation of that country is that BSF is firing in vain and killing people. Several rounds of meetings have been held at the top level of the border guarding forces of the two countries in this regard. Bangladesh government alleged that two people were killed on Tuesday. According to media sources of that country, two people were killed in Khoikhatpara border area of Panchagarh late on Tuesday night. According to the foreign minister of Bangladesh, this incident is unfortunate.

Mayawati removed his nephew from the post of 'political successor', just the opposite of Bengal!

Anjan Mukherjee : Study in London. That nephew Akash Anand was considered Mayawati's successor till now. But that mistake broke this time.

Bahujan Samaj Party (BSP) supremo Mayawati on Tuesday said she has removed her successor and nephew Akash Anand as the party's national coordinator until he is 'politically mature'.

In a series of social media posts at X, Mayawati reiterated the party's commitment to the ideals of Dr BR Ambedkar and the 'ongoing movement for social change'. He said Akash Anand was appointed as the national coordinator of the BSP and was declared his successor to give momentum to the movement. But in the larger interest of the party and the movement he is being removed from these two important duties until he attains full maturity. He said that his brother and Akash's father, Anand Kumar, will carry out his duties as before.

This surprising decision was taken on the day of the third phase of Lok Sabha elections in the country.

Akash Anand was made the BSP's national coordinator when Mayawati restructured the party organization after breaking ties with the Samajwadi Party in 2019. Akash's name was announced as Mayawati's successor at an important party meeting in Lucknow in December last year. He was also given the responsibility of managing party activities in states where the organization was weak.

It is not clear why the BSP supremo removed his nephew from key party posts and excluded him from succession.

Meanwhile, Akash was booked for violation of code of conduct late last month for allegedly using offensive language at an election rally in Sitapur.

'This government is a government of bulldozers and a government of traitors. The party that starves the youth and enslaves the elderly is a terrorist government. The Taliban is running such a government in Afghanistan. He said.

In his speech, Anand cited the National Crime Records Bureau's report of 16,000 abductions in the state and accused the government of failing to provide security to women and children.

BJP is a gang of thieves, who have taken 16 thousand crore rupees through electoral bonds. he said

Sitapur Superintendent of Police Chakresh Mishra said a case has been registered against BSP national coordinator Anand, party candidates Mahendra Yadav, Shyam Awasthi and Akshay Kalra and public meeting organizer Bikash Rajvanshi.

SSC gave the information about the change in the number of unqualified teachers, the Supreme Court called for evidence

MT News: Supreme Court granted interim order in SSC case. About 26,000 teachers and non-teaching staff have been saved from job cancellation. Despite this temporary relief, teachers will continue to fight until SSC publishes the list of eligible candidates with proof. According to the Supreme Court's verdict, the job will remain in force till July 16. 2016 panel is not canceled till then. SSC said that 5250 people were illegally employed in this recruitment process. And keeping the information of CBI in front, SSC told the Supreme Court that 8861 illegal appointments were made in 2016. SSC Chairman Siddharth Mazumder is under question due to the change in the number of these ineligible.

A few days ago SSC canceled the entire panel of 2016. Then Calcutta High Court canceled the entire panel without getting the list of ineligible from SSC. SSC, state government went to the Supreme Court challenging this verdict. And that's the judgment of job retention from the Supreme Court. However, the Supreme Court said that all those who got jobs in 2016 must give a surety that they will return the money if their appointment is proved to be 'illegal'. After that, the SSC started gathering evidence quickly. Because this evidence has to be submitted to the Supreme Court on a certain date.

Meanwhile, the state government breathed a sigh of relief after this order of the Supreme Court.

Bengal Chief Minister Mamata Banerjee wrote that she was satisfied with the verdict on R X Handle. Even after the Supreme Court's order, the jobless teachers sitting on the struggling joint platform called off their hunger strike. Here Moumita Sarkar said, "SSC says that they do not have all the OMR sheets. Let's find out. Because otherwise the worthy will be in danger. That won't work. Class IX-X teachers have OMR sheets. Those who do not have the OMR sheet are getting the OMR sheet by seeking information under the Right to Information Act. So from where SSC gives OMR sheet?"

On the other hand, the SSC and the state government filed a case on the side of the jobless. So Trinamool Congress leaders are saying that they are standing by the jobless and in the next case too, it will be ensured that no one loses their job. work will be done. However, BJP's Burdwan-Durgapur candidate Dilip Ghosh said today, Wednesday, that the SSC has started giving information saying that the Prime Minister will stand by the deserving. And after the order of the Supreme Court, the Trinamool Congress teacher's union initiated a sit-in protest in Tamluk city. Bijan Sarkar, state general secretary of the Trinamool Congress Secondary Teachers' Association, said, "The division bench of Calcutta High Court gave a hasty judgment in the run-up to the Lok Sabha elections."

At the same time, he said, "I am asking the Muslim community to think about the future of their children. Asking them to think about their own future. I don't want any community to live like bonded labour. Because some want to create an atmosphere of fear."

CBI asked for Cabinet note from Bikash Bhavan

Partha Sarathi Sen Gupta : The CBI sought the Cabinet note from Bikash Bhavan regarding the state cabinet's decision to initiate the process of "illegal" recruitment of teachers through SSC in the year 2016. In relation to that CBI has taken keen interest on creation of sixteen hundred supernumerary posts and has asked for related documents from School Education department. Besides, the CBI also wanted to know whether the education department took any legal advice as well as approval of the finance department to implement this decision. CBI has asked the department to furnish further information that whether the education department took the decision to recruit teachers on its own (suo motu) or it was done on the recommendation of the higher authorities.

It is learnt from official sources that last week, the sleuths of the central agency sent a letter to the senior functionaries of Bikash Bhavan seeking information as well as original documents on an urgent basis on the matter mentioned above. In its official letter, CBI has also raised the issue of the decisive judgment delivered on April 22 by the Division Bench of Calcutta High Court, canceling the "illegal" recruitment of teaching and non-teaching posts through SSC 2016. According to the central agency, in view of the judgment of the Division Bench and the instructions given to the CBI by the Learned Court the central agency is conducting further investigation. And those documents may give vital clue in the course of enquiry. CBI has repeatedly reminded Bikash Bhavan to hand over the original documents on urgent basis.

One very vital document asked by CBI is the note titled 'Case for Cabinet Discussion' dated May 5, 2022, bearing the signature of the Principal Secretary, School Education Department. In that note the School Education Department expressed its opinion and decided to create sixteen hundred supernumerary posts in addition to the 5261 posts. One senior government official commented, 'In this context of High Court judgment The Note on Case for Cabinet Discussion dated May 5, 2022 is highly significant. As the Division Bench has observed that the decision to sanction additional post was approved by state cabinet meeting on 5 June 2022, the Cbi may take in its custody of those person who were responsible for taking decision of creating additional posts. That is, the central agency can take into custody of all ministers of belonging to state cabinet.'

Moreover, the CBI is also probing into the documents related to what was done at the administrative level by the department to "facilitate" the

creation of posts and recruitment process. As the letter to Bikash Bhavan is a pointer that CBI is also very keen to take note of the detailed discussion of the departmental officials regarding the various statistics that need to be collected and analyzed to justify the creation of such posts. One senior official pointed out, "It can be said without doubt that the Department of Education did not go ahead with the decision to create the posts suo motu. It was asked to do so from the top level of state government."

But on the other hand, as per government sources, there was some deviation that took place. That is, generally, at least three days time period is earmarked to take the approval of Finance Department on the cost component related with creation of posts in any government department. As here the cost factor involved is to the tune of 260 crores to 300 crores Rupees. Here is the wonder was that this proposal was passed within a few hours of sending it to Finance department for necessary approval. However, the proposal for creation of posts was vetted by the State law department.

After the match, a few supporters of the Aam Aadmi Party were heard saying, "Today, Kejriwal's Delhi team defeated the BJP-ruled Rajasthan team".

Suddenly exiled Bajrang! The wrestler played a big blow before the Paris Olympics

MT News: Bajrang Punia will be seen at Paris Olympics? That is the big question now. Because he was suddenly exiled by the National Anti-Doping Agency or NADA. However, Haryana's freestyle wrestler has been temporarily exiled. But what is the reason for such a decision?

National level trials for the upcoming Olympics were going on in Sonapat last March. Bajrang

was then asked to submit his urine sample. But it is alleged that he did not want to pay it. NADA reported this to the World Olympic Doping Agency or WADA. WADA ordered to issue notice against Bajrang.

NADA issued a notice to the wrestler to explain why he did not submit his urine sample after Wador's directive. It was said on April 23 that Punia will have to respond to the notice by May 7. But before that, Tak was exiled by Nada.

However, the Indian wrestler has made a big complaint against NADA about the whole matter. His claim, NADA came to collect samples with expired kit! Bajrang posted on social media, "I have never refused to give samples to NADA officials. I requested to know what action was taken regarding the expired kit they came to collect the samples. I wanted an answer first.
